

## Match Day MC International Cricket (Casual Position)

From the BLACKCAPS and WHITE FERNS on the international stage, to backyard cricket with your friends in the holidays. New Zealand Cricket are behind it all, promoting and supporting our number one summer sport.

We're a passionate and enthusiastic team, focused on ensuring that cricket is a game without barriers, and committed to living and breathing our vision of cricket being a game for all New Zealanders; a game for life.

We're looking for a Match Day MC for the upcoming international cricket season to help deliver the international cricket schedule this summer. This role is a key part of our Event Presentation team with the essence of the role being to drive and elevate the match experience for the fans, sponsors and everyone involved on the day.

Ideally, you'll have a host of relevant experience, especially in areas like:

- MC'ing, live event hosting and playing a key part in the match day experience
- Delivering segments to camera and live on microphone
- Integrated team-planning; contributing to the input and planning of event entertainment

You'll also have some amazing personal skills and attributes such as:

- Communication and annunciation skills, along with confidence in public speaking
- Flexibility and adaptability; you'll need to be comfortable making changes on the fly!
- A good memory so you can remember running orders, scripts and any event cues

There will be lots of travel for this role, all over New Zealand for BLACKCAPS and WHITE FERNS matches this summer, but we will cover all the relevant costs for travel and accommodation.

We're proud of our values of inclusivity, optimism, tenacity, fun and respect, and to be successful at NZC you'll bring the same value-based approach. There's a lot to enjoy about working for New Zealand Cricket and being part of the team behind the teams that represent the best of New Zealand.

If this sounds like you, apply today by sending a cover letter and CV to [nicky.johnston@nzc.nz](mailto:nicky.johnston@nzc.nz)
