

SUMMER IS COMING!

**WE'RE GEARING
UP FOR OUR
BIGGEST EVER
SUMMER OF CRICKET,
WITH LOTS OF ACTION
PLANNED FOR BOTH ON
AND OFF THE FIELD!**

To help us grow the game of cricket in New Zealand, player registration is now mandatory. Registration and online competition management means that every player can keep their own scorecard and track their own performance. Family and friends can also follow the action of club and community cricket on our dedicated online platform.

Our aim is to free up the valuable time of cricket administrators, to allow you to focus on what you're best at - cricket. All the best for the season ahead.
